IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicant: KRAIG A. KIRSCHNER

Group Art Unit:

Serial No. 09/844,807

Examiner:

Filed: April 27, 2001

For: SEISMIC ADAPTER

I hereby certify that this correspondence (along with any referred to as being attached or enclosed) is being deposited this day, July 27, 2001, with the United States Postal Service as first class mail in an envelope addressed to Commissioner for Patents and Trademarks, Washington, D.C. 20231.

John D. McConaghy, Reg. No. 28,773

INFORMATION DISCLOSURE STATEMENT

Hon. Commissioner for Patents
Washington, D. C. 20231

Sir:

Applicant wishes to bring to the attention of the Patent Office the following information:

AFCON Flyer 962 SQUARE WASHER (1 page)

This washer is prior art to the present invention and has been employed in the prior art in pairs with a threaded shaft extending therebetween, held by nuts where the washers are placed above and below a cord space in the upper beam of a steel web joist such as disclosed in the resent application. Hangers have been coupled with the shaft extending between the washers. This coupling is typically below the lower washer and is held in place by the nut threaded onto the shaft.

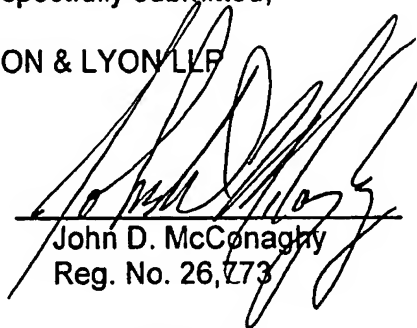

Applicant includes a copy of the above-identified document and Form PTO-1449 identifying the foregoing referenced information.

All applicable presumptions and reservations afforded by 37 CFR 1.56 et seq. regarding disclosure are incorporated herein by reference.

Respectfully submitted,

LYON & LYON LLP
